

Dreamlike Imagery Using Multiple Exposure/ICM Photography

A Photography Workshop with **Sherri Bunye**

Saturday, Dec. 4, 10 am-3 pm

Main Campus, Studio 3

WKPH59 - FALL II Session

Registration deadline Nov. 26

About this workshop

Use nature, objects, people in combinations or all at once by blending scenes together in multiple exposures and then with Intentional Camera Movement (ICM). Both techniques can create dreamlike images or images seeming to come from the outer reaches of the cosmos. Digital SLR camera required. The instructor will contact students prior to this workshop to ensure their camera has necessary features for this workshop. Open to all levels of photographers.

Fee

Members \$150
Non-members \$170
